TAFT IS LUNCHEON **GUEST OF HUGHES**

Ex-President Says He Will Go on Stump for Candidate in the Autumn.

CONFER FOR TWO HOURS

Bridghampton, L. L., June 50.—At noon to-day, forty hours after entertaining Col. Roosevelt at dinner in New York, Charles E. Hughes had William Howard Taft as his luncheon guest at Tremedden. The two were together almost two hours, and according to the testimony of both discussed campaign issues and plans thoroughly.

Neither would disclose whether the possibility of a Roosevelt-Taft reconciliation was considered. Mr. Taft laughed and joked when questions intended to reveal information along this line were put to him. He said, however, that he had enlisted for the campaign, was "under orders," as he put it, and would go on the stump in the autumn. He leaves Monday for Murray Bay, Canada, tespend three months.
